Enclosure 1.

Enclosure for the Secy. to Govt. to be sent to the Secy. to Govt. of Madras. The Secy. to Govt. of Madras is requested to submit to His Excellency the Commander in Chief the desirability of obtaining the sanction of Government to a grant of Rs. 3000 being made this year for the purpose of gradually supplying this want.

To Secy 3-6-78

Cir 6.6.78. Refd. 11.6.78

Suitable school accommodations have been secured for twelve Regiments by utilizing disused Government buildings. Seven schools still occupy the old huts - no other accommodations being available, and four are located in rented buildings.

In July six of the recruits now under training will join their Regiments. One of these Regiments (4th N.I. at Bangalore) has no school accommodation beyond a small hut, and in one or two other Regiments the accommodation is such as to be almost prohibitory to any systematic education being carried on. I would therefore urge that a sum of Rs 3,000 may be granted, viz Rs 2,400 for building and furnishing two school rooms, and Rs 600 for providing furniture for three schools already located in Govt. buildings.

Should the above be sanctioned, I would name the 4th Regiment at Bangalore and the 19th at Trichinopoly as the two Regiments to which the grant of Rs 1,200 should be made for building &c and the Sappers and Miners at Bangalore, the 17th at Vizianagaram and 38th Regiment at Trichinopoly as the three Regiments to which a grant of Rs 200 each should be

made for the purchase of school
furniture.
