Statement of Materials, tools & cart horse delivered by Sub Overseer D. Vira Venkiah when delivering over charge to B. Manavalaswamy Naidoo being Sub Overseer Rajahmundry Division.

Name of work	Description of Materials	Quantity	per day book	Quantity as per bill	Deficiency	Value of the different articles	Explanation afforded by Sub Overseer D. Vira Venkiah	Remarks by Divisional Officer.	Remarks by Super Engineer G. J. H. 68
Repairing road from Rajahmundry to Goharman - Estimate Rupees 4,000	Metalling - Stone at Quarry	55	2	33	6	3	The deficiency is owing to the stone remaining at Mangalavay Metta having been stolen by private parties.	This theft was not brought to my notice nor my predecessors. Orders are therefore issued to recover the value from Sub Overseer D. Vira Venkiah to set an example for other Overseers from making similar excuses as to the loss of materials & cart horses in discharging public duty.	It was the duty of the Sub Overseer to take proper precautions against the loss of Govt property, and to make prompt enquiry and report when any was missing. He was negligent in the matter and is therefore fairly responsible. Such losses also have not occurred with other Subordinates -
Combined Road Bank between Rajahmundry & Ponnur - Estimate Rupees 725,000	Rough stone at Quarry	50%	10	50%	12	10	This stone was quarried at Quarry when it was subsequently stolen away by some private parties who have dug stone in the same place for their private use.		
Tools & Plants	Local - Cross bars (Country) 89 87 2 2 62 Imperial - Alternates (Country) 101 100 1 1 00 At Ponnur.						Lost by me Lost by me	As it is admitted by him the value should be recovered from the Sub Overseer.	Vira Venkiah should have reported, when he took charge from Mr. Lawrence, that so many padlocks were missing & their value would then have been recovered from Mr. Lawrence. As he failed to do so, he is held responsible.
Cart horse at Rajahmundry	Padlocks	50	51	9	10	0	Only 51 Padlocks of which 9 should have been handed over to me by Mr. Lawrence.	There are persons to whom these cart horses were taken charge from Mr. Lawrence & they have misappropriated the same as per day book of Cart horse. The value should therefore be recovered from him.	

Letter from the Chief Engineer to the Secretary No 647
dated 30th May 1878. *9/16/78*

FOR ORDERS.

The Chief Engineer recommends that only the value of the least three articles be recovered from the Sub Overseer. Rs. 30 as a large sum for a man on his pay he makes good.

Approved. In the case of
inward full cost being
the value of the least
three articles. I think only
the least should be recovered.

Approved. In the case of
