GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

13th June 1878, No. 2,492 W.

General.
Establishment.

Read the following paper:—

No. 128. From the Officiating Secretary to Government, North-West Provinces, Public Works Department, Irrigation Branch, to the Under Secretary to the Government of Madras, Public Works Department, dated Naini Tal, 22nd May 1878, No. C. 113 E.

With reference to correspondence as per margin, copies of which are enclosed, on the subject of Serjeant Hilton's furlough, I am directed to intimate that this Government is of opinion that Serjeant Hilton should be allowed leave thus—

G.G.O., No. 66 E—I, dated 3rd May 1878, and enclosures.

(*a*) Medical leave from 29th October to 27th December,
(*b*) Privilege or preparatory leave from 28th December to 28th March,

i.e., three months' preparatory or privilege leave to date of embarkation and medical leave for the remainder of the time.

2. If this is agreed to by the Madras Government, I am to request that you will furnish this Government with a copy of the notification gazetting the leave.

From Captain N. C. COLLIS, Deputy Assistant Adjutant-General, Bombay District, to the Examiner of Public Works Accounts, dated Bombay, 1st April 1878, No. 1,128.

In returning the accompaniments to your No. I 135, of the 26th instant, I have the honor to point out that Serjeant Hilton was not as far as I am aware in Military employ, and that any leave required should be applied for by the Civil Department he was attached to. Moreover it would be difficult to obtain a medical certificate to base the leave on now that the Serjeant has sailed.

Letter from Serjeant Hilton, Public Works Department, asking that leave to date of embarkation may be granted to him.

2. I would suggest that when his furlough certificate is forwarded to Simla, the Adjutant-General might be asked to grant Serjeant Hilton the necessary preparatory leave, *i.e.*, from 8th January to 20th March.

From Serjeant C. HILTON, Overseer, Irrigation Works, North-West Provinces, to the Examiner of Public Works Accounts, Bombay, dated Bombay, 25th March 1878.

I have the honor to report as follows. I left Sholapur (Bombay) for Cuddapah (Madras) on 27th October 1877, and reported myself sick the following day. I was taken into the Civil Dispensary, 29th October 1877, and remained there unable to move until 12th November. I obtained a medical certificate for a month's leave from 8th November to 8th December which was extended by the Surgeon-Major, Sappers and Miners, Kirkee, for another month; in the meantime he recommended that I should pass a board for furlough to England, which I did and I have been detained in Bombay awaiting orders ever since. I now respectfully beg that my furlough may be allowed to count from date of embarkation, and the time which has elapsed since my sickness, viz., 29th October 1877, be counted sick leave in India. As in ordinary cases I should have been entitled to three months' privilege leave on full pay in India.

From the Examiner of Public Works Accounts, Bombay, to the Examiner of Public Works Accounts, Madras, dated Bombay, 3rd April 1878, No. E 22.

In continuation of this office No. 2-15, of 6th ultimo, I have the honor to forward herewith copies of letter No. 1,128, dated 1st instant, and accompaniment, and to request you to be good enough to obtain the sanction of Government to the grant of some kind of leave to Serjeant Hilton for the period of his absence from the 29th October 1877 to 27th March 1878, viz., from the date of his leaving Madras to the day prior to that of his embarkation on furlough.

2. I beg that the necessary last pay certificate for Serjeant Hilton, as already asked in my previous letter, should be sent without further delay.

E. No. 7 C of 6th April 1878.

FORWARDED to the Secretary to Government, Public Works Department, with remark that Serjeant Hilton's services having been replaced at the disposal of the Government of India with effect from the 29th October 1877, the papers in connection with Serjeant Hilton's leave may be forwarded to the Secretary to Government of India for disposal.

SIR,—I am directed to forward for the orders of the Government of India the accompanying correspondence from the Government of the North-West Provinces in regard to Serjeant Hilton who was deputed to Madras for employment on Famine Relief Works in October 1877.

2. Serjeant Hilton reported his arrival at Cuddapah on the night of the 28th October, and applied for leave on medical certificate from the following day, the 29th. He left the Madras Presidency on the night of the 12th November, and reported from Bombay his intended departure to England on one year's furlough.

3. It will thus be seen that Serjeant Hilton has actually done no duty in Madras. His services were formally replaced at the disposal of the Government of India with effect from the 29th October 1877.

4. The grant of leave to Serjeant Hilton subsequent to this date does not, therefore, in the opinion of His Grace the Governor in Council, rest with the Madras Government. If the Government of the North-West Provinces are unable to deal with the case, it should apparently be settled by the Bombay rather than the Madras Government.

I have the honor to be,
