Proceedings of Government in the Public Works Department, dated 17th November 1877, No. 1,694 W.

ABSTRACT.—The review by the Government of India of the Madras Provincial and Local Funds Budget Estimates for 1877-78, communicated with remarks to the Financial Department and to the officers concerned.

WITH reference to paragraph 3 of the Resolution of the Government of India, 17th October 1877, No. 782, it will be explained to that Government that, although the sum of Rupees 3,51,600 was reserved for contributions to Local Fund Circles, only Rupees 1,33,230 were appropriated, as, owing to the pressure of the famine, Provincial resources were being exhausted and this Government had received instructions to utilise for the purposes of famine expenditure all its available Local and Provincial Funds.

2. With reference to paragraph 4 of the same Resolution it will be pointed out that this Government are not prepared at present to make a heavier charge in Local Funds for cost of establishment, more especially as there has recently been cast on these funds the cost of maintaining Imperial lines of road for which hitherto in many cases contributions varying according to the circumstances of the circle were made.
