GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

20th June 1878, No 2,572 W.

General
Establishment.

Read the following papers —

No. 204 From J W RUNDALL, Esq. District Engineer, Bellary, to the Chief Engineer, Public Works Department—through the Examiner, Public Works Accounts—dated Bellary, 1st June 1878, No 1 012

I HAVE the honor to inform you that the Accountant attached to the Gooty Range Office left on medical certificate on the 16th February 1878. The official year was drawing to a close and the Range Officer experienced the greatest difficulty in carrying on the office duties without an Accountant. I addressed the Examiner, Public Works Accounts, on the 8th March 1878, and again on the 26th March pointing out the urgent necessity there was for posting an Accountant to the Gooty Range Office. I only received a reply to my second letter, and it was to the effect that an Accountant would be sent by the 15th April 1878.

2 Lieutenant Smither, the Range Officer, brought to my notice on the 7th April 1878 that, unless a competent Clerk was at once sent to him, he would not be able to render the annual reports and to proceed with the compilation of the accounts for March 1878. The temporary Accountant on the famine establishment also fell sick and left on medical certificate at the time, and there were but two inexperienced Clerks left in the office.

3 In order to avoid delay in the submission of the annual returns, &c., I deputed Rama Row, the first Goomastah in my office, to do duty in the Range Office until the arrival of an Accountant.

4 The man is an unpaired candidate, but is conversant with the duties of an Accountant. The Range Officer reports him to have done excellent service during the short time he was employed in his office.

5 The Accountant of the Hospett Range was also absent on leave on medical certificate from 12th March 1878, and for similar reasons I directed Singariah, the Assistant Accountant in the Bellary Range Office, to do duty in place of the Accountant.

6 Had I not made these arrangements the submission of the annual reports, &c., would have been greatly delayed. The Accountant nominated by the Examiner to Gooty Range did not join till the 6th May 1878, and the Accountant of the Hospett Range returned to duty on the 13th May 1878. Thus there were no Accountants in both the Range Offices for upwards of a month just after the closing of the official year.

7 Under these circumstances I beg to recommend that pay be granted to Rama Row and Singariah at Rupees 50 per mensem each for the period they were employed on special duties as shown below. These men were put to additional expense by their temporary employments in localities distant from their homes.

District Engineer
Bellary 15 June 1878

From

The District Engineer

To

The Chief Engineer

Public Works Department

At

Madras.

I have the honour to inform
you that the Accountant attached to the
Goatly Range Office left on Medical Cer-
tificate on the 16th February 1878. The offi-
cial year was drawing to a close and
the Range Officer experienced the greatest
difficulty in carrying on the Office duties
without an Accountant. I addressed the
Examiner P.W. Accounts on the 8th March 1878
and again on the 26th March pointing
out the urgent necessity there was for
posting an Accountant to the Goatly
Range Office. I only received a reply to

my second letter and it was to the effect
that an Accountant would be sent by the
15th April 1870

2 I wish further the Range Officer
brought to my notice on the 7th April 1870,
that unless a competent Clerk was at once
sent to him, he would not be able to render
the Annual reports and to proceed with
the compilation of the Accounts for March 1870.
The temporary Accountant or the Farmine
Establishment also fell sick and left on medi-
cal Certificate at the time, and there were
but two inexperienced Clerks left in the Office

3 In order to avoid delay in the submis-
sion of the Annual Returns &c I deputed
Ramanah the 1st Joomistah in my Office
to do duty in the Range Office until the
arrival of an Accountant

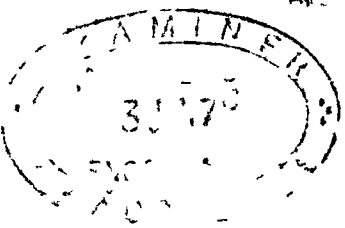

4 The man is an unopposed Candidate
but is conversant with the duties of an Account-
ant. The Range Officer reports him to
have done excellent service during the

short time he was employed in his Office 2
5 The Accountant of the Hospate Range
was also absent on leave on Medical Certificate
from 12th March 1870 and for similar reasons
I deputed Singarah the Assistant Accountant
in the Bellary Range Office to do duty in
place of the Accountant

6 Had I not made these arrangements
the submission of the Annual reports &c
would have been greatly delayed. The Account-
ant nominated by the Examiner to Gooly
Range did not join till the 1st May 1870,
and the Accountant of the Hospate Range
returned to duty on the 13th May 1870. Thus
there were no Accountants in both the
Range Offices for upwards of a month just
after the closing of the official year.

7 Under these circumstances I beg to
recommend that pay be granted to Ramanah
and Singarah at Rs 50 per mensem
each for the period they were employed on

special duties as shown below. These men were put to additional expense by their temporary employments in localities distant from their homes
