General
Establishment

Read the following —

No 212. Office Note from the Examiner of Public Works Accounts, dated 10th June 1878.

ABSTRACT — Conditions under which leave, &c, may be granted to the Superintendent, Madras Harbour Works, and his Assistant

No 213. ORDER THEREON, 21st June 1878, No. 2,580 W.

WHENEVER Mr. Thorowgood has to be absent the signature of his Assistant may be accepted. It is not necessary on each occasion of the Superintendent going away for a short time to invest Mr. Beardmore with the powers of an Executive and District Engineer.

2. In granting Mr Thorowgood's leave under the Code Rules last year, an oversight was committed. The Government have no intention of placing the Superintendent or his Assistant under inflexible rules framed for Engineers in a wholly different position from that held by Messrs. Thorowgood and Beardmore, and having special reference to Pension and Furlough Rules with which those two officers have nothing to do
