No. 244 From J. W. RUNDALL, Esq, District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Kotakal, 8th June 1878, No 1,088

I HAVE the honor, at the request of Mr. W. B. Christie, Executive Engineer, Bengal Public Works Department, to forward a bill and voucher for the passage money of his two Bengali servants who wanted to return to their homes, and who, finding he was likely to be detained in this Presidency some time longer, Mr Christie was obliged to send back.

2 The passage money was included in the travelling allowance bill for April and the matter explained to the Examiner, but that officer, in his No 49 B L. of the 9th May, states that the claim is one which requires the audit of the Examiner of the Province to which Mr. Christie will be transferred, and cannot be admitted without the special sanction of Government

3 I have therefore the honor to solicit this sanction

4 The necessity for the servants having been sent back arises from Mr. Christie having been detained on duty in this Presidency longer than was originally anticipated Mr Christie will not be taking Madras servants back with him, and no charge will hereafter be made on this account

This office is under the impression that a similar request is pending at the Government; you are requested to mark that it is of no consequence whether a man's servant is sent before or after him, so long as he is paid for his return fare.
