GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

26th June 1878, No 2,649 W.

Buildings and Roads
Civil Works

Read the following paper —

No 274 From Major ROSS THOMPSON, R E, District Engineer, Presidency,
to the Chief Engineer, Buildings and Roads, dated Fort St. George, 18th
June 1878, No 1,624

I HAVE the honor to submit, for sanction and allotment of funds, an estimate, amounting to Rupees 367, for fixing a branch pipe to the boiler room tank for punkah-pulling engine at the General Hospital.

2 This work was applied for by the General Superintendent of Public Works Stores, &c, in charge of the punkah engine, as the water in the well which supplies water at present is insufficient, and I am personally satisfied that it is necessary to fix a branch pipe to the boiler room tank. I therefore request that Government will be good enough to sanction the estimate and allot funds to enable the Municipality to execute the work at an early date.

3 The estimate has been approved of by the Surgeon-General, Indian Medical Department.

No 275 ORDER THEPEON, 26th June 1878, No 2,649 W.

THE estimate of Rupees 367 submitted with the foregoing letter is sanctioned.

2 The District Engineer will provide funds from those at his disposal for Minor Works under Provincial

3. This sanction has been registered as Provincial No 45 B of 1878-79
