GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

26th June 1878. No 2,651 W.

Buildings and Roads
Civil Works

Read the following paper —

No 278 From Major ROSS THOMPSON, R E, District Engineer Presidency,
to the Chief Engineer, Buildings and Roads, dated Fort St George, 21st
June 1878, No 1,711.

I HAVE the honor to submit for the formal sanction of Government an estimate,
amounting to Rupees 265, for constructing a diam from the Civil Engineering College
to the Buckingham Canal

2 The necessity for this work was that there was a swamp in the vicinity of the
old foundry building which receives some drainage water from the Civil Engineering
College and the tiffin-room of the Revenue Board Office, and as this pool was
inconveniently near the north-west wing of the new offices for Public Works Depart-
ment now under construction, the diam was constructed in last official year in antici-
pation of sanction to the estimate now submitted

3 Funds to the extent of Rupees 105 were allotted from the grant for Minor
New Works, Provincial, at my disposal in last official year

4 The estimate was approved of by the Principal, Civil Engineering College.

No 279 ORRICK TIERLON, 26th June 1878, No 2,651 W.

SANCTIONED with the remark that it was a small and apparently quite unnecessary
work that this work should have been undertaken without proper sanction

2 This sanction has been registered as Provincial No. 14 B of 1878-79.
