PUBLIC WORKS DEPARTMENT.

3rd July 1878, No. 2,720 W.

Buildings and Roads.
Civil Works.

Read the following paper —

No 23 From Major L CONWAY-GORDON, R E, Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chempauk, 22nd June 1878, No 99 W

• I HAVE the honor to acknowledge the receipt of G.O., No 2,395 W, dated 6th June, registering in the Public Works Department two sanctions accorded in the Revenue Department for salt works, and, with reference thereto, to inquire whether these sanctions in any way concern the Public Works Department

• 2 I observe from the papers that the works are chargeable to the Revenue (Salt) Budget, and not to that of the Public Works Department, and it is from Revenue, not Public Works, Funds that the requisite appropriations have been made. There is, moreover, no apparent intention of these particular two works being carried out by Public Works Officers. In fact, there is but one work referred to in the correspondence, *viz*, erecting Police huts for temporary Constables at Arasadi Salt-pan, in regard to which there would appear to be some intention of employing the services of the Public Works Department, and even as regards this the intention has apparently been abandoned

• 3 The two works referred to in the Government Order appear to be purely Revenue works, and if this be so, it is obviously unnecessary to bring them upon the registers of sanctioned estimates maintained in this office and in that of the District Engineer concerned

No. 24 ORDER THEREON, 3rd July 1878, No 2,720 W.

THE sanction accorded in G.O., No 784, of 24th May 1878, Revenue Department, Public Works G.O., No. 2,395 W, of 6th June 1878 should not have been registered. The numbers will be cancelled.

Note.

The Examiner is well aware that the "registering" of sanctioned estimates is purely an office matter, performed by clerks. Such a letter as that written by him to Govt seems therefore quite out of place. Reference by "Office Note" which he in certain circumstances so persistently

Examiner P.W. Accounts advocates would have cleared Dist. Peng. Sinnerelly up any doubt which he might entertain.
