Read the following paper —

No 25 From Major L. CONWAY-GORDON, R.E., Examiner of Public Works
Accounts, to the Secretary to Government, Public Works Department,
General Branch, dated Chepauk, 21st June 1878, No. 96 W

In accordance with Section 15 (c) of the Acting Allowance Code, I have the honor to request that you will be so good as to move the Local Government with a view to their bringing to the notice of the Government of India the claims of Mr. Maddox, Officiating Chief Accountant of this office, to an allowance of Rupees 100 per mensem from 4th April to 6th July and 10th to 31st July 1877, being the periods during which this office was short of a Deputy Examiner, owing to the absence (from 4th April to 6th July 1877) of Mr. Christie on privilege leave and the interval (10th to 31st July 1877) that elapsed between the death of Mr. Mills and the appointment of Mr. Brown as Deputy Examiner.

2 The special grounds on which I have thought it proper to recommend Mr. Maddox for the allowance in question are the following —

On the 26th June, when Mr. Christie was absent on three months' privilege leave and there were but two gazetted officers present on duty, viz, Mr. Mills and myself, I fell sick and was unable to attend office. The whole work consequently fell on the Deputy Examiner, Mr. Mills, and on Mr. Maddox, the Chief Accountant. On the 9th July Mr. Mills died and Mr. Christie returned from leave, and from that date until the 31st July the whole work of the office was carried on by Mr. Christie and Mr. Maddox. Mr. Brown, the 2nd Deputy Examiner, joined on the 1st August, and it was not until the 14th August that the full number of gazetted officers were present.

3 Owing to the work usually carried on by the Examiner and his two Deputies having to be carried on by a single Deputy, assisted by the Chief Accountant, the latter had practically to do the work of a Deputy Examiner, and should therefore, in my opinion, receive the allowance prescribed for so acting.

4 Mr. Maddox's conduct during this trying time met with my entire satisfaction. I may further add that, before submitting this case to the Local Government, I thought it advisable to place the facts before the Accountant-General, Public Works Department, for his opinion, and I attach a copy of the Accountant-General's final communication to me on the subject.

Copy of a letter from the Accountant-General, Public Works Department, to the Examiner of Public Works Accounts, dated 12th June 1878, No. 530 E

In reply to your letter, No. 5 A, of 16th April last, I have the honor to state that your recommendation for the grant of acting allowance to Mr. Accountant Maddox, under rules quoted in margin, will have my support for the period from 4th April to 6th July 1877 and 10th to 31st July 1877.
