The Chief Engineer
D. P. W.

Sir,

In reply to G. O. No 1629 W
dated 1st April I have the honor to
report that the rates for ordinary men
coolies vary greatly in this district. The
rates inland are much lower than those
on the Coast and coolies working at any
distance from their homes have to be
paid higher rates than those working near.
2 The rates may be said to have been
on the 1st April 1878 from 2 annas 6 pice
to 4 annas, the last rates being only
paid to strong men.

I have the honor to be
Sir
