WITH reference to above, I have the honor to forward a plan and estimate (Rupees 300) for constructing gates and a watch-house at the Lunatic Asylum at Calicut, prepared in communication with the Superintendent, Lunatic Asylum; although the Government Order only calls for an estimate for a gate, but a watch-house has been added, as there is no place near enough for peons to stop, and a watchman is absolutely necessary.

WITH reference to your No. 1,842, dated 16th April 1878, I have the honor to forward a revised plan and estimate for constructing gates and watch-house at the Lunatic Asylum, Calicut, and to state that the estimate (herewith returned) amounts to Rupees 290, instead of Rupees 230 as per rough estimate forwarded by you; the chief cause of this rise is owing to the prices of cut-stone, teak and iron-work in the district.
