Read the following papers —

No 170 From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer and Secretary to Government, Public Works Department, dated Fort St George, 23rd May 1878, No 1 100.

I have the honor to request that you will be good enough to move the Government to grant a carriage allowance of Rupees 50 per mensem to Lieutenant Goldney, R.E., whilst employed on the Coast Defences at Madras.

2 Lieutenant Goldney commands the K Company lately sent from Bangalore for employment on these works. His men are employed on the Clive's Battery and the Light-House and Napier Bridge Batteries. It is necessary for him to visit the works frequently in the course of the day; to enable him to do this he is obliged to hire a conveyance, as the heat of the weather and distances are too great to admit of his walking.

3. All Executive Officers in the Public Works Department at the Presidency draw carriage allowance, and Lieutenant Goldney's duties are similar to theirs.

No 170-A From Lieutenant W. H. GOLDNEY, R.E., to the Secretary to Government, Public Works Department, dated Madras, 25th May 1878.

I have the honor to request that you will forward to the Government of India my application for an extra allowance of Rupees 120 a-month, to which I believe I am entitled while on duty in Madras. I arrived here in command of the 'K' Company, Queen's Own Sappers and Miners, from Bangalore on the 13th May 1878 for employment on Military works under the District Engineer. As the above allowance was granted to other officers of the Queen's Own Sappers and Miners under similar circumstances, I have the honor to request that you will forward my application with a view to obtaining the same.

No 170-B Office Note from Examiner of Public Works Accounts, 26th June 1878

No. 171 ORDER THEREON, 17th July 1878, No 2,904 W.

LIEUTENANT GOLDNEY is not entitled to any allowance from Famine Funds, and as he is not on the Public Works Establishment, no allowances from that Department can be granted.
