GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

— 17th July 1878, No. 2,905 W.

General
Account

Read the following paper —

No 172 From J. W. RUNDALL, Esq., District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 5th July 1878, No. 1,530.

I HAVE the honor to request authority to charge off to Profit and Loss the sum of Rupees 569-10-0, being the sum misappropriated by Sub-Overseer Narrainaswamy Naidoo on the Civil Dispensary at Hospett

2 This man was sentenced to five years' rigorous imprisonment and a fine of Rupees 1,000 as recorded in G O, No 1,908, dated 27th July 1876

3 I cannot ascertain the precise charges on which the Sub-Overseer was tried and convicted, but it seems clear from the papers in my office that fraud in connection with the Civil Dispensary was not one of them.

4 From a report regarding the Sub-Overseer's frauds, sent in in February 1876 by Serjeant Frankland, it would appear that out of Rupees 976-3-1 said to have been misappropriated on the dispensary, Rupees 569-10-0 were overcharges for materials and Rupees 397 9-1 were overcharges in labor, but Mr Frankland did not consider these latter fraudulent, but merely that the coolies had not worked as they should have done, and hence charges for labor to the extent of Rupees 397-9-1 were in excess of the estimate. This latter amount, which has hitherto been shown in the accounts of the dispensary as misappropriated by Narrainaswamy, I have charged off to the work.

5 The Rupees 539-10-0 were for charges for materials which could not be accounted for, and were probably fraudulent, though the case does not seem to have been gone into criminally

6 Out of the Rupees 1,000 fine imposed on Narrainaswamy, Rupees 334-1-7, being the pay and allowances due to him, were paid into the Civil Court.

7 I have, however, referred to the sentence passed by the Sessions Judge and find that nothing was said about any portion of the fine being credited as a set off against any of the fraudulent transactions of the Sub-Overseer.

8 The Rupees 569-10-0 still stands as part of the expenditure on the Hospett Civil Dispensary.

9 The estimate for this work has been exceeded, and I am about to forward a comparative statement and apply for further sanction for it. The sum in question is not one, I think, which the Local Fund Board should be called on to pay, and therefore request authority to deduct it from the expenditure on the dispensary and debit it to Profit and Loss

No 173 ORDER THEREON, 17th July 1878, No. 2,905 W.

The charge will be debited to "Profit and Loss, Provincial."

Sir

I have the honor to request authority to charge off to Profit and Loss the sum of Rupees 567-10-0, being the sum once appropriated by Sub Overseer Narayanaswami Saidu on the Civil Dispensary at Hospell.

2. This man was sentenced to 5 years rigorous imprisonment and a fine of Rupees 1000 as recorded in G. O. No. 1908 dated 27th July 1876.

3. I cannot ascertain the precise charges on which the Sub Overseer was tried and convicted, but it seems clear from the papers in my Office, that fraud in connection with the Civil Dispensary was not one of them.

4. From a report regarding the Sub Overseer's funds, sent in in February 1876 by Sergeant Frankland it would appear that out of Rupees 976-3-1 said to have been misappropriated on the Dispensary, Rupees 569-10-0 were overcharges for materials, and Rupees 397-7-1 were overcharges in labor, but Mr. Frankland did not consider these latter fraudulent, but merely that the coolies had not worked as they should have done, and hence charges for labor to the extent of Rupees 397-7-1 were in excess of the Estimate. This latter amount which has hitherto been shown in the accounts of the Dispensary as misappropriated by Sarramaswamy I have charged off to the work.

5. The Rupees 569-10-0 were for charges for materials which could not be accounted for, and were probably fraudulent, though the case does not seem to have been

gone into criminally. 6. Out of the Rupees 1000 fines imposed on Sarramaswamy, Rupees 334-11-7 being the pay and allowances due to him, were paid into the Civil Court.

7. I have however referred to the sentence passed by the Sessions Judge, and find that nothing was said about any portion of the fine being credited as a set off against any of fraudulent transactions of the Sub Overseer.

8. The Rupees 569-10-0 still stands as part of the expenditure on the Hospital Civil Dispensary.

9. The Estimate for this work has been exceeded, and I am about to forward a Comparative Statement and apply for further sanction for it. The sum in question is not one I think which the Local Fund Board should be called on to pay, and therefore request authority to deduct it from the

expenditure on the Dispensary
and debit it to Profit and Loss.
