Establishment

Read the following papers —

No 175 From J. W. RUNDALL Esq, District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 5th July 1878.
No 1,523

I have the honor to solicit sanction to the entertainment of a Storekeeper on a monthly pay of Rupees 10 in the Gooty Range Office, where the services of one are absolutely needed for the following reasons:

2. Stores are being constantly despatched from Madras through the Gooty Range Office to the different Public Works Ranges in the Kurnool District, also to the Pennakonda Range in this district. Lieutenant Scatter brings to my notice that his office establishment, consisting of one Accountant, one Clerk, and a Draughtsman, is not sufficient for the ordinary work of a range comprising five taluqs, and that he has to employ a man to attend to the despatch of stores.

3. A man has to attend at the Railway Station to receive the stores, then he has to procure carts and to see to their being properly loaded and despatched. These duties cannot well be performed unless a man is specially appointed for the purpose.

4. During the last six months stores and tools have been received and despatched six times to Kurnool and four times to Pennakonda Range.

No 176 From the Examiner of Public Works Accounts dated 13th July 1878

No 177 O. D. R. THEBON, 19th July 1878, No 2,912 W.

The temporary entertainment of a Storekeeper is approved.

2. This sanction will hold good to the 31st March 1879, unless other arrangements for the conduct of the duties shall have been made by that time.

3. This sanction has been registered as Provincial No 37 W of 1878-79.

Sir

I have the honor to solicit sanction to the entertainment of a Storekeeper on a monthly pay of Rupees 10 in the Gooty Range Office where the services of one are absolutely needed for the following reasons.

2. Stores are being constantly despatched from Madras through the Gooty Range Office to the different Public Works Ranges in the Kurnool District, also to the Pen-mahonda Range in this District. Lieut Smither brings to my notice that his office Establishment is

Consisting of one Peonulant, one Clerk, and a Draftsman is sent for the ordinary work of a Range comprising 5 Salutes, and that he has no one to spare to attend to the despatch of stores.

3. A man has to attend at the Railway Station to receive the stores, then he has to procure carts and to see to their being properly loaded and despatched. These duties cannot well be performed unless a man is specially appointed for the purpose.

4. During the last 1 month the stores and tools have been received and despatched 6 times to Kurnool, and 4 times to Pennamunda Range.

Can you suggest any arrangement whereby the District Engineer can obtain the aid he requires without a formal addition to the authorized scale of establishments which is not likely to find favor at the present time?

To Mr. Secretary

Under the old P.W. Code of India, temporary Petty Establishments may be sanctioned by Secy. Under the revised Code, which our Code has followed, temp^y Petty Estab^t can be sanc^d only by the local Govt.

I should apply to Govt for a temp^y for reasons assigned. His rule came up on 31st March 1879 - He might have put reorganization scheme out before then, which ought to release a no of the office Estab^t. One of them might undertake this work.
