No 210 From the Examiner of Public Works Accounts, dated 24th June 1878,
No 152 $\frac{A}{C}$

No 210-A From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 10th July 1878, No 132 W

With reference to your memorandum, No 2,967, dated 5th July 1878, I have the honor to state that no delay is attributable to this office in the disposal of Lieutenant Baldwin's application for one month's privilege leave

2 The application was for *privilege* leave to have effect from 3rd May 1878, but as he was not entitled to any privilege leave from that date, the District Engineer, North Arcot, was informed accordingly in this office letter, No 58 NA, dated 21st May 1878

3 The District Engineer was further informed that Lieutenant Baldwin would become entitled to the leave applied for on the 22nd May 1878, on which date he would have completed eleven months' continuous service—*vide* Civil Leave Code, Section 32

4 The application was accordingly held over pending receipt of a further communication on the subject from the District Engineer, North Arcot, which was only received on the 22nd June 1878, and the application duly completed and forwarded to your office on the 24th idem

No 211 ORDER THEREON, 22nd July 1878, No 2,950 W

RECORDED with the remark that the application should not have been detailed, but either returned or forwarded to Government

2 The medical certificate indicated somewhat urgent need for leave and was dated 3rd May, while it was not till the 5th July that Lieutenant Baldwin was granted the leave. A fresh medical certificate would, after this lapse of time, have been more appropriate

3 It is noted that although the application is supposed to have left the Examiner's Office on the 24th June, it did not reach the Secretariat at Madras till the 27th
