GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT

22nd July 1878, No 2,951 W

General
Establishment

Read the following paper —

No. 212 From H UNWIN, Esq, District Engineer, Cuddapah, to the Chief Engineer, Public Works Department, dated Cuddapah, 12th July 1878, No 899

In submitting herewith copy of letter, dated 22nd ultimo, addressed to A. D Maclean, Esq, Assistant Engineer on special duty, by Mr P. Magrath, Sub-Engineer, together with its enclosures (to be returned), I have the honor to request your sanction to the payment of Rupees 11-10-8 to Mr Magrath, being arrears of salary paid by him to two lascars employed in the month of April 1877, and which he states was not disbursed to him up to date

2 The Civil Department decline to pay the amount as being in excess of sanction, but as Mr Magrath employed the men in good faith pending sanction, I recommend that the amount should be paid to him from the maintenance grant Repair—Roads, Kadur Taluk.

From P MAGRATH, Esq, Sub-Engineer, Public Works Department, to the Assistant Engineer on special duty, Wontimittah, dated Cuddapah, 22nd June 1878

I have the honor to submit, for your consideration and that of the District Engineer, the following case, viz, arrears of pay paid to lascars employed by me during the month of April 1877, amounting to Rupees 11-10-8, and not yet recovered up to date

2 I also beg to submit documents in original as noted below, and as the case when before submitted appears to have been entirely misunderstood, I would therefore beg to explain all over again —

- 1 Acquittance Roll for lascars' pay for April 1877
- 2 Letter No 668, of 30th March 1878, from Deputy Collector
- 3 Statement of account accompanying above letter
- 4 Docket No 3,477, dated 1st April, from District Engineer
- 5 Docket No 41 dated 15th April 1877, from Madanapully Range Officer.
- 6 Proceedings of Government sanctioning establishment

3 On joining this district in February 1877 I was ordered to measure up famine works in the Kadur Taluk. I requested the Range Officer of Madanapully, Mr Traill, to supply me with the necessary establishment. I was told verbally to make my own arrangements, and on the strength of this verbal order I engaged four lascars and one peon. In April following I was ordered to reduce the number to three men, I therefore discharged one lascar and one peon on 20th April, thus reducing the total number to three men as ordered in Mr Traill's docket, No 41, herewith attached. The Deputy Collector, in auditing the lascars' pay for the same month (April) allowed pay for 2½ men only, amounting to Rupees 18-10-8, vide his audit account also attached

4 On the 3rd July following the Collector for the first time applied to the Revenue Board for an establishment consisting of one writer on Rupees 20 and three lascars on 7 Rupees per month each, this was sanctioned, vide Government Proceedings, No 2,319 H, dated 10th July 1877

To

A D Maclean Esq
Assistant Engineer, Special duty,
Wontumitah

Sir,

I have the honor to submit for your consideration and that of the District Engineer the following case namely arrears of pay paid to Lascars employed by me during the month of April 1877 amounting to Rupees 11-10-8 and not yet recovered up to date.

2. I also beg to submit documents in original as noted in the margin and as the case when before submitted appears to have been entirely misunderstood. I would therefore beg to explain all over again

3. On joining the District in February 1877 I was ordered to measure up Famine Works in the Hoariri Talug. I requested the Range Officer of Madanapully Mr Traill to supply

1. Voucher & Receipts for Lascars pay for April 1877.
2. Letter No. 668 of 30 March 1878 from Dy Collector.
3. Statement of account accompanying above letter.
4. Voucher No 3477 of 1st April from District Engineer.
5. Voucher No 41 of 15 April 1877 from Madanapully Range Officer.
6. Pro. of Govt sanctioning Establishment.

me with the necessary Establishment. I was told verbally to make my own arrangements and on the strength of this verbal order I engaged 4 Lascars and 1 Bearer. In April following I was ordered to reduce the number to 3 men. I therefore discharged 1 Lascar and 1 Bearer on 20 April thus reducing the total number to 3 men as ordered in Mr. Traill's Letter No. 41 from the attached. The Dy Collector in auditing the Lascars' pay for the same month (April) allowed pay for $2\frac{2}{3}$ men only amounting to Rupees 18-10-8 vide his audit account also attached.

4. On the 3rd July following the Collector for the first time applied to the Revenue Board for an Establishment consisting of 1 Writer on Rs 20 and 3 Lascars on 7 Rs per month each this was sanctioned vide Govt. Pro No 23194 dated 16 July

1877

5. As the Lascars were employed during 5 months previous to Government being applied

to, for a sanctioned Establishment and the pay passed for it but being ¹⁴⁻¹ ~~10-1~~ monthly I would therefore request the favor of your recommending to the District Engineer that he would be pleased to pass the Rupees 11-10-8 now claimed. I have had all along to pay my men at the rate of Rs 8 per month besides having to engage extra coolies when measuring Road in the the 2 cases as latterly allowed being totally inadequate for this special work

b. I would have submitted this claim 2 months ago but sickness and fever with its effects and from which I have been suffering from March last caused me to neglect attending to this case until now.

I have &c
