GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

23rd July 1878 No 2,971 W

General
Establishment

Read the following paper —

No 212 From F. N. THOROWGOOD, Esq, Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, Buildings and Roads, dated Madras, 12th July 1878, No 18 W

I HAVE the honor to ask for instructions from Government on the following point

2 In the monthly progress reports for May and June (Nos 10 W and 16 W, dated 1st June and 1st July 1878, respectively), I have mentioned the illness of Mr John Chicken, Foreman Engineer of these Works

3 I regret to state that he still is seriously ill, his illness being attributable to hard work and great exposure to rain and sun in a climate which never suited him very well

4 The District Surgeon recommended his going to Bangalore to recover his strength, and he acted on this advice at once. He got no benefit from the change, and when I met him at the station on his return from Bangalore I took him straight to the General Hospital on July 3rd, where he has been ever since

5 It seems probable that some time will elapse before he can recover, and perhaps he will then be ordered to leave India; but on this point I have as yet no official report

6 The Examiner of Public Works Accounts has thought fit to cut off half of Mr Chicken's pay on account of his sickness, and I conceive this to be more than he is warranted in doing under the terms of Mr Chicken's agreement, in which no reference whatever is made to going on half pay when sick

7 Mr Chicken's term of service is five years, and he has already served nearly half that time with infinite credit to himself, and without asking for any leave of absence or holiday except when compelled to do so by medical advice. I therefore respectfully ask that he may now be allowed to draw his full pay

No 213. ORDER THEREON, 23rd July 1878, No 2,971 W.

THE Examiner will pass full pay to Mr Chicken up to date of his death

he might be considered
to fall under the

the framers of the
