PUBLIC WORKS DEPARTMENT.

General Establishment.

Read the following paper:—

No. 3. Endorsement of the District Engineer, Cuddapah, dated Cuddapah, 20th December 1877, No. 2,408.

Copy of a letter from H. LYON, Esq., Officer in charge of Cuddapah Range, to the District Engineer, Cuddapah, dated 17th December 1877, No. 577.

In the *Fort St. George Gazette* of 11th instant my transfer to this district is notified, but I regret to find the words "to join at the public expense" had not been added.

2. In a note dated 4th September (attached), the Chief Engineer promised to allow me to join at the public expense, and if it be said that I have since been acting discreditably and my transfer is ordered as a punishment, I would respectfully beg permission to ask whether being reduced from the top to the bottom of my grade after nearly 10 years' service is not sufficient punishment for one offence. My transfer had been long contemplated, and I therefore earnestly request you will ask the Chief Engineer to allow me my expenses from Madras to Cuddapah by rail, and that of my tents, horse, &c., by road from Nellore.

Submitted for orders of the Chief Engineer, Public Works Department, with an enclosure.

(Signed) C. S. MOBERLY, Colonel, R.E.,
District Engineer, Cuddapah.

No. 4. Order thereon, 2nd January 1878, No. 2 W.

My dear Lyon

Would you like to go to Cuttack Cuddapah range? It is the only vacancy. Let me know at once. You would have to go to Nellore, join one change and then join at the Public expense.

Yours truly

Elliot

GO. 1901 W - 1st Dec/77.
Original Notification.

PUBLIC WORKS DEPARTMENT.

Letter from the District Engineer, Cuddapah.
No. 2408 dated 20th December 1877.

FOR ORDERS.

At the time the Chief Engineer's note was written, Mr. Lyon was on his return to Nellore from sick leave. He applied for a transfer. The Cuddapah range was vacant and there was a large extra establishment in Nellore. If Mr. Lyon on return to his range had gone on quietly with his work, his transfer could no doubt have been easily made and at the public expense.

But the circumstances
of his transfer on the 1st De=
=cember seemed such as to preclude his being considered as "travelling on public duty" in the sense of the Code.
