PUBLIC WORKS DEPARTMENT.

General
Establishment.

Read the following paper:—

No. 3. Endorsement of the District Engineer, Cuddapah, dated Cuddapah,
20th December 1877, No. 2,408.

Copy of a letter from H. LYON, Esq., Officer in charge of Cuddapah Range, to the
District Engineer, Cuddapah, dated 17th December 1877, No. 577.

In the *Fort St. George Gazette* of 11th instant my transfer to this district is
notified, but I regret to find the words "to join at the public expense" had not been
added.

2. In a note dated 4th September (attached), the Chief Engineer promised to
allow me to join at the public expense, and if it be said that I have since been acting
discreditably and my transfer is ordered as a punishment, I would respectfully beg
permission to ask whether being reduced from the top to the bottom of my grade, after
nearly 10 years' service is not sufficient punishment for one offence. My transfer had
been long contemplated, and I therefore earnestly request you will ask the Chief
Engineer to allow me my expenses from Madras to Cuddapah by rail, and that of my
tents, horse, &c., by road from Nellore.

SUBMITTED for orders of the Chief Engineer, Public Works Department, with an
enclosure.

(Signed) C. S. MOBERLY, Colonel, R.E.,
District Engineer, Cuddapah.

from H. Lyon, Cuddapah

Range Officer requesting to allow
him his expenses from Nellore &
from Madras to Cuddapah.

GO. 1901 W - 1st Dec/77.
Original Notification.

PUBLIC WORKS DEPARTMENT.

Letter from the District Engineer, Cuddapah,
N^o 2408 dated 20th December 1877.

FOR ORDERS.

At the time the
Chief Engineer's note was
written, Mr. Lyon was on his
return to Nellore from sick
leave. He applied for a transfer.
The Cuddapah range was
vacant and there was a
large extra establishment
in Nellore. If Mr. Lyon on
return to his range had
gone on quietly with his
work, his transfer could
no doubt have been easily
made and at the public expense.

I do not think
the cost of printing
can be admitted
at the public expense.
L. K.

But the circumstances
of his transfer on the 1st De=
=cember seemed such as pre=
=clude his being considered
as "travelling on public duty"
in the sense of the Code.
