PUBLIC WORKS DEPARTMENT.

29th July 1878, No 3,022 W.

General
Account

Read the following paper —

No 279 From T D HARRIS, Esq, District Engineer, Ganjam, to the Secretary to Government, Public Works Department, dated Berhampore, 15th July 1878, No 32.

At the request of the Examiner of Public Works Accounts, Madras, in his final remarks on the disallowance list of contingent charges for April 1878, herewith submitted for your perusal, I have the honor to request you will be good enough to sanction the excess charges of better coolies, viz, Rupees 14-12-10, therein disallowed.

2 I have adopted such measures as directed not to exceed the limit fixed by you for the whole district from the receipt of G O, No 2,246 W, dated 22nd May 1878

3 In fact, there will be a saving, it is only in some months and in some particular cases that these excess charges occur, and are solely for the good of the public service, and unavoidable in a district like this if work is to be done properly and with my poor establishment

4 I beg, in addition, that you will raise the office establishment from a third to second class in order to allow of a writer travelling with me whose pay will entitle him to sufficient allowance to cover his expenses, which I have hitherto had to pay partly myself

No. 280 ORDER THEREON, 29th July 1878, No 3,022 W

UNDER the assurance given in the District Engineer's second paragraph, the excess charges of Rupees 14-12-10 will be passed

2 No alteration in the scale of the office establishment of the district can be made, in view of the approaching reorganisation of the department.
