the office are said not to have been
registered. In consequence of a ge-
-eral impasse from this side and of
the sickness of the head accountant
we at present have turned the office almost
entirely over and within this and many
other papers this side in relation to
the report of the officers and other
reports that have lately reached me.
I am convinced that the head ac-
countant of the Division is not equal
to his work and I will assign the
Examiner of Accounts to take care re-
garding him.

I have the honor etc.

Thimmappa Sundali,
Junal Superintendent
in the Chingleput District,
H. Ramaswamy Pillay,
and Samudra Saikhi,
Scription Masters in
the South Arcot District,
and Sub Overseer R. Seshu-
bham Pillay in the
Madras District, should
be called upon to dis-
pose of their lands or be
removed to other Ranges or
Talugs.

The result of the en-
quiries promised to be
made by the District Sur-
geon's Sadanery as re-
gards the land held
by Kaveriapalli Ven-
katarayadu will be
awaited.

The policy of allowing

Superior Mahadana Sagar
to retain lands within the
Range in which he is
stationed is open to question,
and should be reconsi-
dered by the District
Engineer Tanjore.

The same remarks ap-
ply to the case of Overseer
C. Ramachendran Sagar
of the Tanjore District -
although the Mungad land
in his possession may
not be of large extent.
