GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

29th July 1878, No. 3,048 W.

Buildings and Roads.
Civil Works

Read the following papers —

No 333 From Major ROSS THOMPSON, R E, District Engineer, Presidency, to the Chief Engineer, Buildings and Roads, dated Fort St. George, 9th July 1878, No 2,131.

I HAVE the honor to submit for sanction and allotment of funds a plan and estimate, amounting to Rupees 246, for putting up wooden shelves in the store-room of the Office of the Inspector-General of Police, Madras

2 The shelves estimated for are required to afford protection from white ants to books, paper, and forms which are now stored on the floor, as also to economise space

3. I request that the estimate may be sanctioned for execution at an early date, as the Inspector-General of Police states that the work is very necessary. He further states that if funds are not available from the reserve at the disposal of Government, they may be allotted by transfer from the Police Repair grant for the Town of Madras

4 The plan and estimate have been approved of by the Inspector-General of Police.

No 333-A From the same Officer, dated Fort St. George, 16th July 1878, No. 2,269

With reference to your memorandum, No. 3,106, of 13th July 1878, I have the honor to inform you that the estimate in question was originally prepared in communication with the Assistant Inspector-General of Police when a width

of three feet for the shelves was adopted as the minimum. I have requested that officer to state whether he is of opinion that a less width than three feet would meet his requirements, and I enclose in original his demi-official reply. Under the explanations which he offers, I presume the revision of the estimate is unnecessary I have therefore the honor to return it with the plan.

No 334. ORDER THEREON, 29th July 1878, No. 3,048 W.
