THE Inspector of Post Offices has informed me that the building in the compound of the Sub-Collector's Cutcherry at Guntoor, lately used as Post Office, has been vacated, and will not again be required by the Postal Department, and the Sub-Collector has asked me if the building can be handed over to him as a record-room, the accommodation in the cutcherry being insufficient.

2. I see no objection to the building being made over to the Revenue Department, and have therefore the honor to request you will be good enough to obtain the sanction of Government to the transfer. The building was formerly the District Treasury; it is but a few yards distant from the cutcherry; all the windows are fitted with iron bars, and it is well fitted for a record-room.
