GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

5th August 1878, No. 3,150 W.

General.
Establishment.

Read the following papers :—

No. 74. From Major J. PENNYCUICK, R.E., District Engineer, Salem, to the Secretary to Government, Public Works Department, dated Salem, 25th July 1878, No. 120 S.L.

I HAVE the honor to report that I have, in anticipation of sanction, engaged an additional writer on Rupees 20 per month for my own office as a temporary arrangement.

2. My Head Clerk is ill, and my principal writer has also been ill, and has only just returned to duty, and the work of the office is rapidly falling into arrears.

3. I think it not improbable that I shall find it necessary to appoint an additional writer on the same pay, and request the sanction of Government to this should it become necessary, as well as to the appointment of the one already engaged.

4. I also request sanction to the payment of a deputation allowance of Rupees 10 each to the Accountant and Head Writer of the office during my Head Clerk's absence so long as the latter is entitled to draw his full pay. These men between them have to do the whole management of the office, which is unusually heavy and responsible owing to my constant absence from head-quarters, and it seems only right that they should receive some slight extra remuneration.

No. 74-A. Office Note from the Examiner of Public Works Accounts, dated 30th July 1878.

THE pay of the Head Clerk of the District Engineer's Office, Salem, is Rupees 70 only, but the rules in Civil Leave Code, Supplement F, apply to his case so far as they can be made applicable without imposing extra cost upon Government—*vide* Section I (b) Supplement F, of the Civil Leave Code, and addition to that section under Financial Notification, No. 3,439, dated 28th September 1877.

2. Should it be found that the Head Clerk's work cannot be carried on during his absence without a substitute, the former should be required to forfeit such portion of his pay as would admit of some arrangement being made for the conduct of his work without imposing extra expense to Government—*vide* G.O., No. 1,070 W, dated 17th October 1877.

(Signed) L. CONWAY-GORDON, Major, R.E.,
Examiner of Public Works Accounts.

No. 75. ORDER THEREON, 5th August 1878, No. 3,150 W.

THE District Engineer's action in engaging a temporary additional writer is approved.

2. He is authorised to appoint another additional writer on the same pay, should this be found necessary.

PUBLIC WORKS DEPARTMENT, 5TH AUGUST 1878, No. 3,150 W.

3. With reference to the fourth paragraph of his letter, Major Pennycook will be guided by the foregoing remarks of the Examiner, Public Works Accounts.

4. This sanction has been registered as Provincial No. 44 W of 1878-79.
