Copy of a communication from the Postmaster-General, Madras, to the Director-General of the Post Office of India, dated 22nd June 1878, No. A 183-520.

I HAVE the honor to forward a plan and estimate for Rupees 1,000 for construction by the Public Works Department of a 7th-class Post Office at Sattiavedu, and request that you will be so good as to accord sanction to the measure.

The Post Office is now held in a thatched building which is not only unsuited for the purpose, but there is great risk from fire.

A tiled house suited for the purpose is not procurable on hire, and endeavor to induce house owners to erect one to be rented has also failed.

It is proposed to carry out this work in 1878-79 from the grant for Minor Works for the current year, and it is intended to arrange for the work being taken in hand as early as possible.

Copy of a communication from the Director-General of the Post Office of India, to the Postmaster-General, Madras, dated 9th July 1878, No. 3,494.

In returning the original plan and estimate received with your letter No. A 183-520, dated 22nd June 1878, I beg to sanction the sum of Rupees 1,000 for the construction of a 7th-class Post Office at Sattiavedu, the charge being debitable to Minor Works grant for the year 1878-79.
