General.
Establishment

Read the following paper:—

No. 163. From Colonel P. O'CONNELL, R.E., Superintending Engineer, Chingleput, to the Chief Engineer, Public Works Department, dated St. Thomas Mount, 8th August 1878, No. 2,850.

I have the honor to inform you that in accordance with the provisions of the rulings conveyed in Examiner's Circular No. X-2,373, dated 14th January 1878, Mr. Sub-Engineer Donaghue claimed tentage in addition to mileage for the 16th, 17th, and 18th May, and for the 14th, 15th, 26th, 27th, and 28th June 1878, on which dates he performed journeys in excess of 20 miles a day while his camp was left standing as shown in his inspection reports for those months herewith forwarded. The Examiner declines to pass tentage for the above dates under Rule XI, paragraph 2, Section iii, Chapter IV of the new Public Works Code, without the special sanction of Government. I have the honor, therefore, to submit the claim for the orders of Government.

Chapter IV. Section III

Para XI

But should it in any case be necessary for a Subordinate Officer to make a dawn journey, and have a standing camp, the necessity being certified by the Executive Engineer, the Rail Government on consideration of the merits of each case as it occurs may pass the regulated mileage in addition to the ordinary tentage. If the camp is moved during the absence of the Subordinate, the claim to both allowances will be the same as if it had been kept standing.
