GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

14th August 1878, No. 3,249 W.

Buildings and Roads.
Military Works.

Read the following papers :—

No. 177. From the Examiner of Public Works Accounts, dated 11th July 1878,
No. 36 F.P.

No. 177-A. From Major H. M. VIBART, R.E., District Engineer, Trichinopoly, to
the Chief Engineer, Public Works Department (through the Examiner of
Public Works Accounts), dated Trichinopoly, 18th July 1878, No. 270.

In returning the application for increase of allotment under the head of Repairs,
Imperial, Military, I have the honor to observe that the reason why Rupees 5,000
more are required is that an estimate of Rupees 4,750 has been sanctioned and is in
progress for rethatching the temporary barracks occupied by the European Infantry.

2. These repairs are of course of a very exceptional nature, as I understand
that they are only required every five years.

No. 177-B. From the Examiner of Public Works Accounts, dated 25th July 1878,
No. E. 55 T.O.

No. 177-C. From Major H. M. VIBART, R.E., District Engineer, Trichinopoly,
to the Chief Engineer, Public Works Department, dated Trichinopoly, 7th
August 1878, No. 333.

With reference to your memorandum, No. 3,432, dated 3rd August, I have the
honor to report that the budget lists of the current year were forwarded in September
last; then it was quite impossible to anticipate that the roofs of the five ranges would
require a thorough renewal; only slight leakages in the roofs were then reported;
they were immediately repaired on an estimate of Rupees 90. The heavy rains of
December caused the roof to sink in places which rendered a thorough renewal of
the roof indispensably necessary. Hence the work was put in hand on an estimate
of Rupees 4,750 sanctioned in April from the Military Repairs grant.

No. 178. ORDER THEREON, 14th August 1878, No. 3,249 W.

The sum of Rupees 5,000 applied for is granted under the explanation afforded.

2. The amount will be provided as follows:—

1. Repairs, Military, at the disposal of Government	Rs.
2. By retransfer from the Reserve at the disposal of Government under "Military" subject to the approval of the Government of India	Rs.
	1,454
Total	Rs. 6,000

From
The District Engineer
Trichinopoly.

To
The Chief Engineer
Public Works Department
Madras.

Sir,
With reference to your Memo No 3432
dated 3rd August I have the honor to report
that the Budget Lists of the current year
were forwarded in September last, then
it was quite impossible to anticipate
that the roofs of the 5 Ranges would
require a thorough renewal; only slight
leakages in the roofs were then reported,
they were immediately repaired on an
estimate of Rs 90. The heavy rains
of December caused the roof to sink
in places which rendered a thorough
renewal of the roof indispensably
necessary - Hence the work was
put in hand on an estimate of Rs 4,750
sanctioned

sanctioned in April from the
Military Repair grant.

I have the honor to be

Sir

Yours most obedient servant.

[Signature]

An allotment of Rs 5000 is necessary as the grant of Rs 7000 granted under the Head Military Repairs has been exhausted.

Examiner's remarks:

This Office is unable to point out any source from which the large sum of Rs 5000 required under 'Repairs Military' can be met, as the balance of Reserve with Government under that head is small, & as it is too early in the Official year to anticipate savings in other districts.
