GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

15th August 1878, No 3,261 W.

General
Account

Read the following paper —

No 181. From Major C J. JENNINGS, Officiating Superintendent of Army Schools, to the Secretary to Government, Public Works Department, dated Ootacamund, 10th August 1878, No NA 363

With reference to O G, dated 11th June 1878, No 2,458 W, sanctioning the sum of Rupees 200 each to the regiments mentioned in the margin for the purchase of school furniture, I have the honor to recommend that, subject to the estimate

being submitted for the approval of the District Engineer, the Sappers and Miners be allowed to procure such articles of school furniture as they may require under regimental arrangements

2 Referring to G O, dated 10th April 1877, No. 1,241, Public Works Department, I would suggest that where furniture is supplied to schools of the Native Army by the Public Works Department the following alterations should be made in the specification for furniture detailed in the above order

DESKS AND FORMS.—These to be in lengths of not more than six feet each, and the forms to be of a uniform height of 1' 5½".

BLACK-BOARDS to be of the description marked A. The board itself should be of the best teakwood 4' 6" x 3' 4", the standards and pedestals might be of good jungle wood; the pedestals to rest on wooden knobs instead of casters

The almirah should be of good teakwood and should be supported on four legs, a foot in height, so as to raise the bottom of the almirah from the ground. The almirah supplied to the school of the 36th Regiment Native Infantry at Bangalore, from having been made of unseasoned jungle wood, is now unserviceable

No 182 ORDER THEREON, 15th August 1878, No 3,261 W.

The proposals made in the foregoing letter are approved.
