GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

15th August 1878, No. 3,264 W

General
Account

Read the following paper :—

No 186. From Major ROSS THOMPSON, R E, District Engineer, Presidency,
to the Chief Engineer, Buildings and Roads, dated Fort St George, 3rd
August 1878, No 2,667.

With reference to your memorandum, No. 1,202, dated 8th March 1878, I have the honor to inform you that the Deputy Collector of Madras brought to my notice that as there is no separate watching establishment allowed, the duty of guarding from theft the materials of buildings purchased at Poodoopett for Native Infantry Lines is becoming very difficult to perform, and that the huts and buildings are scattered over a large area with private dwellings between them. He therefore considered it best for the interests of Government either to sell the materials by public auction through the Public Works Department Agency or to hand over charge of the same to the Public Works Department to guard.

2 Under the above circumstances, I have the honor to recommend that the old huts and houses as per list herewith sent may be resold and the ground cleared.
