GOVERNMENT OF MADRAS  
PUBLIC WORKS DEPARTMENT.

19th August 1878, No. 3,294 W.

General  
Establishment.

Read the following paper —

No 208. From J. W RUNDALL, Esq, District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 9th August 1878, No 1,992

I HAVE the honor to request your instructions as to what course should be pursued when remarks which are objectionable are entered in a service book

2 I forward herewith the service book of Overseer Naramaswamy Moodilly. The entry of a copy of a memorandum by the late District Engineer entered on page 5 is unnecessary and uncalled for. The entry on page 7 I do not hesitate to characterise as malicious. It contains a one-sided account of quarrels between Sub-Engineer Syed Yusuf, lately in charge of Pennakonda Range, and the Overseer, and is clearly in contravention of G O, Pension Department, No 138, of the 25th April 1878

3 The Overseer having been transferred to South Arcot, I am unwilling to send on his service book with those remarks simply scored across, nor do I know whether I am at liberty to prepare a copy of this record omitting the objectionable remarks, and recording the "facts" regarding the Overseer's conduct. I therefore request orders for my guidance in this and any similar cases in future

4 I have had on a previous occasion to send back the service book of a Writer and direct Sub-Engineer Syed Yusuf Sahib to expunge his remarks, but they were not as objectionable as in this case.

No. 209. ORDER THEREON, 19th August 1878, No. 3,294 W

THE Government direct that the copy of a memorandum by Mr Leggatt upon page 5 of the service register, and the entry by Sub-Engineer Syed Yusuf on page 7, dated the 15th April 1878, be erased

2 The Sub-Engineer Syed Yusuf will be informed that his reckless entries are viewed with displeasure by Government.
