Very truly

On the 14th May
1877 the Government
of India were
addressed on the sub-
ject of the introduc-
tion of the revised
system of promotion
in the Engineer
Establishment of
the Public Works
Department, the
adoption of which
was suggested by
the Government
in their letter to
E. G. dated 18th Decr 1874.

It was intended
that the new rules should
be made applicable
with effect from the
1st of September 1876; and,
pending sanction to the
arrangements, promotions
due from that date
have been deferred.

Seeing that the
Government of India
have returned no an-
swers to the letter of the
14th May, in which
early orders were requested,
nor to the reminder
sent on the 17th August;
and looking to the
circumstances that

Officers coming in
from Northern India
who must be placed
under a practically
junior Officer of

due, it is recom-
mended that the
promotion so long

be now made in

that the promotions so-
