No 221 From Colonel F J MOBERLY, R E, District Engineer, Bangalore, to the Chief Engineer, Public Works Department, dated Bangalore, 14th August 1878, No. 100

With reference to G O, No 2,592 W, dated 21st June 1878, I have the honor to forward herewith, for the information of Government, copy of letter No 241, dated the 12th instant, from Mr E Sidney Smith, Pleader.

From E SIDNEY SMITH, Esq, Pleader, to the District Engineer, Bangalore, dated Bangalore, 12th August 1878, No 241.

*Re Gomdaraoolu Moodelia and Peddaiah*

In reply to your letter of the 8th instant No 348, requesting me to furnish you with the information required by the Madras Government as to how my charges were fixed for prosecuting these cases I have the honor to inform you that Major Vibart when he engaged me to prosecute the cases did not fix my fees, but simply left it to me, as he did in the case of Head Accountant Maslemoney Pillay, who was prosecuted by him for criminal breach of trust, to charge what-ever fees I considered reasonable, having regard to the number of days each case occupied in the prosecution thereof It was because Major Vibart knew exactly how much of my time was spent in prosecuting each case that I submitted my bills of costs through him

I return as requested the G O, No. 2,592 W, dated 21st June 1878, forwarded by you with your letter under reply

In conclusion I must express my regret that through an oversight in my office your letter should have remained unanswered for so long a time and not till receipt of your reminder under date the 9th instant, No 437
