GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

23rd August 1878, No 3,367 W.

Buildings and Roads
Civil Works

Read the following papers:—

No 260. From Major ROSS THOMPSON, R E, District Engineer, Presidency, to the Chief Engineer, Buildings and Roads Branch, Public Works Department, dated Fort St George, 8th August 1878, No. 2,767.

I HAVE the honor to submit, for the sanction of Government, an estimate, amounting to Rupees 70, for removing the verandah stables attached to the Accountant-General's Office, Fort St. George

2. His Grace the Governor directed the estimate to be prepared for the removal of the verandah stables when inspecting buildings in the Fort on the 27th ultimo.

3. I have, however, to mention that the verandah referred to is now or rather *was* under repair. An estimate, amounting to Rupees 400, for this and for other works in connection with the Accountant-General's Office was sanctioned in April last. The actual expenditure on this work is Rupees 284-15-9, and the balance, Rupees 115-0-3, will be credited to the work; if the estimate now submitted is sanctioned by Government for execution, funds will be provided by me from the Provincial Repair allotment at my disposal.

4. The repairs of these verandah stables were stopped on the 27th ultimo on His Grace the Governor ordering an estimate to be prepared for their removal.

No. 260-A From L. C. PROBYN, Esq, Accountant-General, Madras, to the Secretary to Government, Public Works Department, dated Fort St George, 13th August 1878, No 5,226

I HAVE the honor to bring to the notice of His Grace the Governor in Council that the stalls attached to this office, when not used by the Secretaries to Government to whom they were allotted, were regularly occupied by the horses of my predecessor, Mr Lodwick, and by my own and those of the Deputy Accountant-General and the junior officers of this department until the tiling was removed in order to effect the repairs necessary to the premises.

2. The officers are naturally very desirous not to lose the privilege they have enjoyed for many years past, and I trust therefore that His Grace in Council will be pleased to allow the stalls to be repaired for the use of the Financial Department Officers

No 261 ORDER THEREON, 23rd August 1878, No. 3,367 W.

THE removal of the stables should be carried out. The so-called stables are merely a covering of partly permanent and partly temporary nature over what was,

and should remain, an open court giving air and light to the basement of building adjoining. The covering above is in a very bad state and the ground below is in a very foul and unwholesome condition

2. The Accountant-General should be provided with stables elsewhere. The junior officers of the department do not seem entitled to such accommodation
