In acknowledging the receipt of G O, dated the 2nd instant, No. 3,074 W, I have the honor to inform you that it was never my intention to employ Mr Parsick in my office (nor has he been so employed) in which I am happy to say there are no arrears of consequence except such as have been caused by Range Officers having failed (through sheer inability to carry them out owing to the press of other and very urgent and necessary work) to comply with the orders passed by the Chief Engineer for irrigation regarding the grouping of irrigation tanks, survey of those affecting the line of Railway, replying to unanswered references on these subjects, &c &c. It was to clear off as far as possible these long standing arrears in the Range Offices that I utilised Mr Parsick's services as permitted by your memorandum as Chief Engineer, No 2,887, dated 1st instant. I regret that I should not have stated this more explicitly when asking for the establishment that I did in my No 118 of the 13th ultimo
