GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

26th August 1878, No. 3,396 W.

General
Establishment

Read the following paper —

No 285 From Major L. CONWAY-GORDON, R E, Examiner of Public Works, Accounts, to the Secretary to Government, Public Works Department (General Branch), dated Chepauk, 17th August 1878, No. 235 W.

In continuation of my letter, No 180 W, of the 3rd August 1878, I have the honor to point out that in accordance with the decision arrived at by the Comptroller-General the transit pay and travelling expenses of officers returning to Bengal from famine duty in Madras and Bombay should be a charge against the Government under which they were employed (*vide* copy of correspondence herewith forwarded), whereas in G O, No 2,961 W, of the 22nd July 1878, it is directed that Serjeant Green, whose services have been replaced at the disposal of the Government of India, should receive pay in this Presidency only up to the date on which his services have been so replaced.

2 The above orders are, it will be observed, somewhat at variance with one another. I have therefore to request the favor of being informed which of the two orders I am to accept for my guidance in adjusting the pay and allowances of Serjeant Green above referred to.

3 With regard to the concluding part of the Government Order referred to above I have the honor to state that the Executive Engineer, Northern Drainage and Embankment Division, Calcutta, has been already requested by me to discontinue the monthly payment of Rupees 60—*vide* my memorandum to your address, No 149 W, of 18th July 1878.

No 286 ORDER THEREON, 26th August 1878, No 3,396 W.

THERE being nothing special in Serjeant Green's case, his pay and allowances will be regulated by the rules prescribed for the guidance of the Account Department.
