Read the following paper —

No 328 From Major J. L. L. MORANT, R.E., District Engineer Nalgonda to the Secretary to Government, Public Works Department, dated Ootacamund, 29th August 1878, No 225

I have the honor to forward an estimate, amounting to Rupees 400, for improving and protecting the Public Works Department well at Gúdalur.

2 The water in this well has been much polluted by wild cats, &c., falling in, and as a well is much required in a sickly place like Gúdalur, I beg you will be so good as to sanction the work and allow funds to be provided from Miscellaneous Public Improvement now at my disposal.

No 329 ORDER THEREON, 29th August 1878, No 3,435 W

The estimate is sanctioned from funds at the disposal of the District Engineer under Minor New Work—Civil Buildings—from which the requisite transfer will be made. The District Engineer has no funds under Miscellaneous Public Improvement as he seems to suppose.

2 This sanction has been registered as Provincial No 80 B of 1878-79
