Memorandum

Enforcement of the Judicial Depart-
 ment report dated 21st September
 1894 transferring it to the U.S.
 Register at the Department of the Interior
 as 7127 dated 19th September 1894
 setting forth and estimate for con-
 structing a new Court House for the District
 of Columbia.

Relating to the proposed approval
 in the Judicial Department to con-
 struct a new Court House for the District
 of Columbia. The Court House for
 the District of Columbia is of opinion that it
 would be much better arrangement
 to add the required room to the present
 Court House, as shown on the standard Plan
 of the District of Columbia Court circulated with
 G.O. 701293 of May 1895 the expense would
 be less and the convenience greater. If this
 suggestion is approved the Dist Engr will
 be requested to submit revised Plan & Estimate.
