My inclination would be to reduce No 14 by 25,000

of Lt. J. Smith's balance account - 10 years' grant credit  
 then amount of the work actually done, probably about  
 2,000 - ~~then save~~ ~~4,000~~ 4,000  
 that domestic system attention must be directed 9,170  
 4,000

Let down the Ph. office grant - is insufficient  
the P. thing that - is inadequate as I  
understand it  
the Council should be simply to present its proper case. 18c 2/2
