No 49 Endorsement of the Chief Secretary to Government, Judicial Department, dated Ootacamund, 17th April 1878, No 656

From H WIGRAM, Esq, Officiating District Judge of South Malabar, Calicut, to the Chief Secretary to Government, Judicial Department, dated Calicut, 3rd April 1878, No 189.

In the Proceedings of Government, Judicial Department, dated 14th January 1878, No. 68, the Government express a hope to be able shortly to establish a District Munsif's Court at Vyteri with the usual civil powers As I understand that this arrangement is in conformity with my recommendation to the High Court, that there should be a single Munsif for the whole Wynad Taluk, and as accommodation will have to be found for him and his establishment, I take the liberty of informing Government that there is now in the market a house at Vyteri belonging to the late Dr Henderson, which is in every way admirably adapted for a Munsif's Court The price asked is 1,500 Rupees, but possibly a purchase might be effected at a cheaper rate through the Public Works Department

2 The house is large enough to afford accommodation to a resident Munsif, if a European or East Indian is appointed, and a moderate rent might be asked

Referred to the Collector of Malabar for report in communication with the District Engineer.

No. 23. Camp Cheriyatic 2nd July 1878.

To

The Collector of Malabar.

Sir,

Letter from the Dist Judge to the chief Secretary No 189 d/ 30th April & thereto returned.

With reference to your No. 651 of 24th April last, I have the honor to forward a Plan of the house which belonged to the late Dr Anderson at Vytteery.

I have had a careful survey made of the whole of the premises as well as an estimate of what it would cost to erect similar buildings departmentally. It would cost for the house Rs. 5057, and for the outbuildings Rs. 1464 or Rs. 7121 for the whole; though I must at the same time observe that, in some particulars, our work would be of a more substantial character. I know the house well, as I constantly inspected it while it was being built, now about thirteen years ago. It would require an expenditure of Rs. 500 to put the whole into good repair; and after allowing for deterioration during the 13 years since it was built, I am of opinion that the premises are certainly worth Rs. 4000, taking no account of the land which is included in the property;
