Administrative Log 1 meet

I HAVE the honor to acknowledge receipt of the Proceedings of Government, No 1,293, dated 25th July 1878, and to report that the undermentioned sums, which are required to be placed at the disposal of the Public Works Department, as per G O, in that department. No 2,661 W, of date the 27th June 1878, may be allotted from the unexpended balance of the Port Fund, but that allotments have already been sanctioned for the groynes at Beypore and the maintenance of the Cruz Milagro Gap in G Os, Nos 1,133 and 1,134, dated 26th June 1878 —

	Rs.
Ganjam — Fixing a lantern on the top of the obelisk at Calingapatam	64
Godavari — { Constructing light-house at Vakalapudi	159
{ Store godown at Cocanada	115
Kistna — Constructing quay walls at Masulipatam	5,111
Tanjore — Constructing a training wall of piles with rough stone groynes at Negapatam Harbour	1,365

2 In paragraph 3 of G O, Public Works Department, No 2,661 W, dated 27th June last, a sum of Rupees (100) one hundred is mentioned as required by the District Engineer, Kistna, for repairs to the Point Divi Light-house. I beg to state that the Master Attendant, Masulipatam, has lately brought to my notice the urgent necessity that exists for repairs to that structure, and the Collector of the District has been requested by me to obtain an estimate from the District Engineer for the same. I would therefore recommend that the amount be sanctioned, and if it cannot be met from savings in the Public Works Budget, it may be borne under the head of Light-house Contingencies, Imperial.

HIS GRACE the Governor in Council sanctions the transfer from the balance under Post Funds for 1878-79 to the Public Works Department of the sum of Rupees 6,835, for the works specified in paragraph 1 of the foregoing letter.

2 It is presumed that the Public Works Department will be able to provide for the repairs to the Point Divi Light-house. If it cannot, then sanction will be granted for the charge being met from the source indicated by the Master Attendant in paragraph 2.
