5th September 1878, No 3,521 W

Buildings and Roads
Military Works

Read the following paper —

No. 56 Endorsement of the Secretary to Government, Military Department,
dated Ootacamund, 29th August 1878, No. 4,482

From Lieutenant-General C ELMHIRST, C.B., Commanding Mysore Division, to the
Quartermaster-General, Ootacamund, dated Ootacamund, 26th August 1878,
No 370

In January of this year a plot of ground on either side of the main feeder entering the Ulsoor tank on the west was made over to the Officer Commanding "Queen's Own" Sappers and Miners, in order that it might be used for the instruction of the men of the corps in bridging, &c, for which purpose the presence of water in the main drain makes this ground particularly well suited

2 The distance of the ground from the Sapper lines and the bulk of the stores required for bridging makes it necessary that a shed and small guard-room should be erected upon the ground for the cover of the stores and of the man detailed to take charge of them

3 The Officer Commanding "Queen's Own" Sappers and Miners therefore applies for sanction of a sum of Rupees 71-6-8 for bamboos, &c, to be used in the erection of the shed and guard-room, the earthwork and labor being provided for under regimental arrangements, and I would recommend this application for favorable consideration.

No 935.

FORWARDED to Government with the recommendation of the Acting Commander of the Forces that sanction for the expenditure of Rupees 71-6-8 for materials required for the erection of a shed and guard-room on the ground in the vicinity of the main feeder of the Ulsoor tank, used for instruction in bridging, be granted. It is suggested that the grant be made from the appropriation in the Public Works Budget for Minor Works

(By order,)

OOTACAMUND,
28th August 1878.

(Signed) H. O'CONNELL, Brigadier-General,
Quartermaster-General.

To the Secretary to Government, Military Department

TRANSFERRED to the Public Works Department for disposal.

P.O. No. 1001 Dated 11/12/1917

10/12/17

From

The Officer Commanding
Mysore Division

27/12

To

The Quarter Master General
Dombivli.

Sir,

In January of this year a plot of ground on either side of the main feeder entering the Taloor tank on the W. was made over to the Officer Commanding D. D. Sappers & Miners in order that it might be used for the instruction of the men of the Corps, in Encamping &c. for which purpose the presence of water in the main stream makes the ground particularly well suited.

The distance of the ground from the Sappers Mess and the bulk of the stores required for bridging makes it necessary that a shed and small guard room should be erected upon the ground for the care of the stores and of the men attached to take charge of them.

The Officer Commanding D. D. Sappers & Miners therefore applies for sanction of a sum of Rs. 1000 for Sanitary &c. to be used in the erection of the shed and guard room, the earth work and labour being provided for under Regimental Accommodations and I would recommend this application for favorable consideration.

Yours faithfully

Yours most obedient servant

L. H. Lister

Assistant Quarter Master

Commanding Mysore Division
