GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

22nd January 1878, No. 360 W.

General.
Account.

Read the following paper:—

No. 197. From J. D. GRANT, Esq., Officiating District Engineer, Tinnevely, to the Chief Engineer, Public Works Department, dated Palamcottah, 7th January 1878, No. 167.

REFERRING to paragraph 8 of my letter, No. 139, of 27th November 1877, I have the honor to request permission at once to transfer to Muttom the stores belonging to the light-house, as the sheds at Comorin have fallen down in the late rains and the stores are unprotected.

2. New sheds must be built somewhere and eventually the stores must be transferred to Muttom, and, if my present proposal is approved, I would request an allotment of Rupees 50 for the carriage of the stores and Rupees 50 for construction of sheds.

3. There is some seasoned teakwood at Comorin, which, if permitted, I might use for the jail work here, the value being credited to Imperial Funds, and from this source I could obtain money to transfer the other remaining stores to Muttom.

4. There are also some stores which it would not pay to carry to Muttom, and this I beg I may be allowed to sell by auction.

No. 198. ORDER THEREON, 22nd January 1878, No. 360 W.

THE District Engineer's proposals are approved and Rupees 100 are appropriated for the work from the following sources:—

Rupees	50	from the Reserve at the disposal of Government under Reserve Miscellaneous Public Improvements, Light-houses, for construction of sheds:
"	50	do. do. do. under Repairs.
"	100
