GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

13th September 1878, No 3,629 W

General
Establishment

Read the following paper —

No 154 From H LYON, Esq., Assistant Engineer in charge of Cuddapah Range, to the Secretary to Government Public Works Department, through the District Engineer, Cuddapah, dated 2nd September 1878, No 615.

I HAVE the honor to acknowledge receipt of your No 3,089 W, dated 2nd August 1878, and in reply beg respectfully to state that it is not now my desire or intention to appeal to the Secretary of State.

2 Since the date of the order above quoted, I have received a copy of G.O. No 3,015 W, of 27th July 1878, and as I suppose, the officer therein referred to as having drawn travelling allowance to which he was not entitled is the officer against whom I made such a charge, I trust the Government of Madras will sooner or later consider that my case is entitled to reconsideration, and the Order of 1st December last against me will be to a certain extent modified.

3. I cannot but regret the intemperance of language and conduct of which I was guilty towards the District Engineer of Nellore, and I am extremely sorry that I forgot to a certain extent my duty to the rank and official position of the officer under whom I was placed. I trust however the Government will now consider that the mental distress I have suffered for the past nine months, and the pecuniary loss amounting to Rupees 2,400 in arrears of pay alone which has weighed heavily upon me have been punishment quite commensurate with my offence, and that I may ere long be restored to my lost position.

No 155 ORDER THEREON, 13th September 1878, No 3,629 W.

HIS GRACE the Governor in Council is glad to learn that Mr Lyon now regrets the conduct for which it seemed right to the Government to order his reduction.

2 Mr Lyon's future promotion must depend on conduct.
