GOVERNMENT OF MADRAS

PUBLIC WORKS DEPARTMENT. 3647/1

16th September 1878, No. 3,647 W.

General.
Account

Read the following paper —

No 171. From T E MARSHALL, Esq, Deputy Master Attendant in charge Administrative Department, to the Secretary to Government, Public Works Department, dated Madras, 10th September 1878, No 6,713.

Under the Orders of Government, Public Works Department, No 587, dated 22nd February 1877, the Steamer *Pearl* has been placed under the charge of the Master Attendant Coconada. In May last that officer incurred a small expenditure of Rupees (3-0-10) three and Postage Account etc for keeping the machinery of the vessel in order, but the charge has been disallowed by the Deputy Examiner, Public Works Accounts, for want of the sanction of Government. I have, therefore, the honor to solicit that the Government will be pleased to authorise him to admit this as well as any similar contingent charges which may be incurred in future. I may mention that, owing to the vessel being kept in an efficient condition by this department, she was ready for service when ordered by Colonel Mullins to proceed last month on a Cyclone Survey up the Godavari. The charges of the *Pearl* are debitable to the Public Works Department.

No 172 ORDER THEREON, 16th September 1878, No 3,647 W

The Examiner is authorised to admit the charge. He may also pass similar bills contingent charges which may be incurred in connection with the steamer.
