Read the following paper:—

No. 210. From J. W. RUNDALL, Esq., District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 7th September 1878, No. 2,395.

With reference to your memorandum No. 3,908, dated 2nd September 1878, I have the honor to state that there is no allotment at my disposal under "Original Works, Civil Buildings, Provincial," from which I could propose a transfer to meet payment of the amount due for the work "Cemetery at Adoni."

2. As the work was completed during the past official year, and as the contractor has been long kept out of his money, I would request that an allotment of Rs. 510 may be provided by transfer from other districts.

3. In April last I called on the Range Officer to explain why last year's grant was not utilised before the 31st March, and in reply Lieutenant Smither informed me that the contractor did not present his bills.

4. As this was the case on three other works, I informed Lieutenant Smither that I consider his arrangements very unsatisfactory.

5. I would beg to point out that the money was applied for in the list of incomplete works forwarded to you on the 22nd April, and was probably not then granted by an oversight.

No. 211. Order thereon, 18th September 1878, No. 3,673 W.

Rupees 510 are appropriated from the Provincial Reserve for the cemetery at Adoni, for which an estimate was sanctioned in G.O., No. 58, of 7th February 1876.

Ecclesiastical Proceedings, No. 14, dated 24th January.

2. The Government concur with the District Engineer in his remarks upon Mr. Smither's unsatisfactory arrangements.
