PUBLIC WORKS DEPARTMENT.

19th September 1878, No. 3,693 W.

General.
Account.

Read the following paper :—

No. 222. From Lieutenant-Colonel J. O. HASTED, R.E., Superintending Engineer, Kistna, to the Chief Engineer, Public Works Department, dated Masulipatam, 11th September 1878, No. 119.

With reference to G.O., No. 3,321 W, dated 20th August 1878, I have the honor to request that the Kistna may be removed from the list of districts required to send unserviceable tools to the Madras Workshops.

2. Such tools as are repairable can be as well repaired in the Bezawada Workshops as in Madras. I propose therefore that in future all tools reported unserviceable should be sent to Bezawada Workshops, and either repaired there for re-issue or taken by the Workshops at the ordinary price of old iron.

No. 223. ORDER THEREON, 19th September 1878, No. 3,693 W.

The District Engineer's proposals are approved. It is probable that the same arrangements can with advantage be adopted in the Godavari District. The District Engineer will state whether this is the case.
