Read the following paper:—

No. 307. From W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 16th July 1877, No. 1,587.

One copy of Range Officer's letter, No. 888, dated 1st July 1877.

With reference to the enclosed copy of a communication, No. 888, dated 1st July 1877, from the Executive Engineer, Gooty Division, I have the honor to solicit sanction to the entertainment of a substitute on full pay (Rupees 40) for the Draughtsman and Estimator attached to the Gooty Range Office, who has been granted two months' leave on medical certificate from the 10th June 1877.

2. According to the Leave Rules the absentee is entitled to a moiety of pay. The services of an efficient Draughtsman to act for him cannot be secured on the available amount, viz., Rupees 20 per month, hence the present application is made.

3. The entertainment of a substitute is absolutely necessary in order that the work in the Range Office, which is at present unusually heavy, may be attended to. The Executive Engineer thinks that the permanent incumbent is not likely to return to duty for at least six months more.

From P. O'RATTIGAN, Esq., C.E., Executive Engineer, Gooty Range, to W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, dated Camp, Gooty, 1st July 1877, No. 888.

Reference.—His No. 1,431, dated 25th June 1877.

Has the honor to request that an application may be made to Government to sanction full pay for a person to act as Draughtsman during the absence of the permanent incumbent, who will not, it is believed, be fit to resume his duty for at least six months more in addition to the two and a half months' leave which has just been granted to him.

2. Unless some such arrangement as has been suggested above is made, it will not be possible to get a person to take up the acting appointment on Rupees 20 per mensem, and the work of the office will consequently be delayed.

No. 308. Order passed, 23rd July 1877, No. 470 W.

The entertainment of a substitute on full pay for a period of six months is sanctioned under the circumstances explained which are exceptional.

This sanction is registered as Provincial No. 3 W of 1877-78.

No. 224. From J. W. RUNDALL, Esq., District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 23rd August 1878, No. 2,213.

I HAVE the honor to solicit sanction to the entertainment of a substitute on full pay (Rupees 40) for the Draughtsman and Estimator attached to the Penukonda Range Office. The permanent incumbent has been granted leave on medical certificate for one and a half months from the 8th instant.

2. According to the Leave Rules the absentee is entitled to a moiety of pay. An efficient Draughtsman to act for him cannot be procured on the available amount, viz., Rupees 20 per month, on account of the short period for which the appointment would last, and on account of the distance he has to travel to reach Penukonda.

3. There is much work in the Range Office in the way of preparation of estimates, &c., for irrigation works, and it is not possible for the Range Officer to attend to it without the aid of a Draughtsman ; I have, therefore, arranged to send a man to act on full pay, and trust that my action will be approved.
