The Government of India will be informed in the Public Works Department that the lines referred to were transferred to Local Funds on the introduction of Act IV of 1871, but that until recently grants were made from Provincial Funds to the circles concerned when necessary to enable them to maintain such lines in repair, and Provincial Funds have been relieved to this extent. Under such circumstances the Government are not prepared at present to increase the burden on Local Funds by requiring them to bear a larger proportion of the cost of Department Public Works Establishment.
